

Dear Team,

Current quarter has been fully of activity for IT and we are well on course to fulfil our commitment of deploying managed switches, Active directory with domain, DNS and DHCP server by 30<sup>th</sup> April.

While the quantum of work would have differed for each location based on the number of FTEs they support, below team members are hereby awarded the Certificate of Appreciation for Jan- Mar – Q1 Quarter 2015.

Surendra Rayudu- for giving constant support to Amar Ujala Web Services team during the migration of our website to Akamai. He has put in a good amount of effort to ensure that the transition was hassle free.

Nitin, Surya, Birbal, Madhuvendra, Pushpendra, Dinesh, Vikrant, Jitender, Kuldeep, Gagan and Himanshu- for the managed switches roll out at Noida- quite easily the toughest location for roll out.

Om Parkash – for deployment of Active directory, DNS and DHCP across locations

As indicated in my previous e-mail, the top engineer award is being started now onwards and for the current quarter, this award goes to - Hemant from Units and Sujay at Corporate office

You all would be receiving your certificates by 1<sup>st</sup> week of April.

Keep up the good work!

Thanks,

Ayushman
